

Product Description

The Aether downlight is a high-performance, recessed luminaire featuring an energy-efficient LED light source available in 9W or 15W options. It delivers an impressive light output of 1350Lm with a luminaire efficacy of 90Lm/W, operating on a standard AC 220-240V voltage. Designed for exceptional color accuracy, it boasts a CRI of over 90 and offers versatile configurations with multiple beam angles and color temperatures ranging from 2700K to 6000K. Built with a durable aluminum body in a white or black finish, it fits cutout sizes between 55mm and 75mm with an IP20 ingress protection rating. Additionally, this long-lasting fixture provides a rated life of 50,000 hours and supports flexible dimming options including Triac, 0-10V, and Dali systems.

Light
