

Product Description

The DION is a high-performance recessed LED luminaire featuring an aluminum body available in white, black, or custom finishes. It offers exceptional light quality with a Color Rendering Index (CRI) greater than 90 and a long rated life of 30,000 hours. This versatile fixture provides options for 9.5W or 12W power consumption and includes beam angles of 24° or 36°. Designed for flexibility, it supports multiple dimming protocols including Triac, 0-10V, and Dali, while operating on a standard AC 220-240V range. With its 85mm diameter and IP20 protection rating, it is ideally suited for indoor recessed installations using recommended Tridonic SLA or GU10 modules.
