

Product Description

This sleek, modern architectural linear light features a refined black finish and is powered by high-efficiency OSRAM LED sources with superior color rendering (CRI > 90). Delivering uniform illumination across a wide 120° beam angle, it operates on a safe, low-voltage DC 48V system. Available in versatile CCT options (2700K to 4000K) across three length configurations— 300mm (10W), 600 mm (18W), and 900 mm (24W)—it provides ideal lighting for contemporary layouts.
