

Product Description

Trimless Dual recessed spot, Ideal for spaces where aesthetics play a role. Beautifully concealed in the ceiling without a visible border or frame, this recessed spot gives an elegant look. Specially designed frame enables the installation, adjusted to the correct thickness of the ceiling layer for an ever-fitting and tight installation. The spot is equipped with a gimbal ring, with which you can direct and tilt the light in 356°. Including separate LED converter with connecting cable 600 mm. High quality converter without flickering and stroboscopic effect. Through-wiring box (5 pole) available as accessory. The following accessories can be mounted without use of tools: interchangeable lenses, honeycomb louvre, clear and frosted diffusers
