Product Description

This is a versatile LED track light designed for easy installation into track lighting systems. Constructed from durable aluminum with a powder-coated finish, it offers a focused and high-quality light output suitable for various applications. The light source is a COB LED, providing excellent color rendering and efficiency. Users can select from multiple color temperatures and adjustable beam angles to tailor the lighting to their specific needs. It's available in common finishes like white, black, and silver. High lumen track lights use LED technology, which is more energy efficient than traditional lighting products. Classic style rail fixtures often incorporate design elements of traditional fixtures for a classic and elegant look.

Lamp

Light source	: LED COB
CRI	: 90
Rated Life	: 20,000 HRs
Wattage	: 30W
Beam Angle	: 25°
CCT	: 2700K 3000K 3500K 4000K

Body

Color	: White, Black
Material	: Aluminum
Diameter (D)	: 84mm
Height (H)	: 110mm
Width (W)	: 167mm

Electric

Input Voltage	: 220 - 240V/50-60Hz
Luminaire Efficiency	: 120.8 lm/W
Luminous Flux	: 3624 lm

Other

Protection	: IP20
