

6W

12W

Product Description

This minimalist trilogy of linear architectural magnetic track modules delivers scalable performance across three distinct wattage tiers: 6W, 12W, and 24W. Integrating into safe DC 48V infrastructure, these matte-black fixtures feature premium OSRAM LED arrays yielding exceptional color fidelity (CRI > 90). Offering dual beam distributions (24°| 36°), this versatile illumination matrix provides low-glare, high-contrast accenting, ensuring cohesive design fluidity throughout contemporary galleries, high-end hospitality showrooms, and ultra-modern residential environments.
