

## Product Description

This recessed LED downlight offers a versatile lighting solution with wattages ranging from 3W to 15W and a high Color Rendering Index of 90 for superior color accuracy. We have designed the fixture with a durable aluminum body available in white or black finishes to seamlessly integrate into any architectural environment. The luminaire provides exceptional efficiency at 115 lm/W, delivering a brightness range between 345 lm and 1725 lm depending on the selected power. To ensure complete control over the ambiance, we offer multiple dimming options including Triac, 0-10V, and Dali protocols. Each unit is built to last with a rated life of 20,000 hours and features a precise 38° beam angle for focused illumination.

### Light

Light Source	: LED
CRI	: 90
Rated Life	: 20000 HRs
Wattage	: 3W   6W   8W   10W   12W   15W
CCT	: 2700K   3000K   4000K   5000K
Beam Angle	: 38°

### Body

Material	: Aluminium
Color	: White   Black
3W Diameter - Height	: 42 mm - 70 mm
8W Diameter - Height	: 51 mm - 77 mm
10W Diameter - Height	: 60 mm - 52 mm
12W Diameter - Height	: 81 mm - 62 mm

### Electric

Input Voltage	: AC 220-240V
Luminaire Efficiency	: 115 lm/W
Lumen	: 345 lm - 1725 lm

### More Informations

Mounting Type	: Recessed
Ingress Protection	: IP20
Dimmable Option	: Triac   0-10V   Dali
