

Product Description :

A device with a high level of protection against environmental factors and physical impact. It is resistant to dust, water immersion, and external mechanical shocks, making it suitable for harsh conditions.

Lamp

LED Type	: CREE XPE LED
Beam Angle	: 10°, 15°, 30°, 45°, 60°
Maximum Watt	: 3W
CCT	: 2700K, 3000K, 4000K, 6000K
CRI	: 80+
Average Life (hrs)	: 30000hrs

Body

Color	: Dark grey With Aluminium
Dia	: 40 mm
Height	: 53 mm
Cutout	: 38 mm
Material	: Aluminium

Electric

Voltage	: 220-240V,50/60Hz
Luminaire Flux	: 110-130 lm
Output Current	: Constant Current
Output Voltage	: SELV
Input voltage	: DC12V~DC24V

Other

Protection	: IP67
Certifications	: CE, RoHS
