

Product Description

This recessed LED luminaire features a high-performance light source with a CRI >90, ensuring vibrant and accurate color rendering across various architectural settings. The fixture is constructed from durable aluminium and is available in sleek white or black finishes to seamlessly integrate with modern interior designs. It offers a wide range of power options from 3W to 15W, providing a consistent efficacy of 115 Lm/W and a versatile 38° beam angle for precise illumination. For enhanced control and versatility, the unit supports multiple dimming protocols, including Triac, 0-10V, and Dali, while maintaining an IP40 rating for reliable indoor protection.

Light
