Recessed downlights

30W

40W

Product Description

This recessed luminaire is powered by a high-performance CREE LED source that delivers exceptional color accuracy with a CRI greater than 90. It features an aluminium body in a white finish, available in 125mm or 151mm diameter options with corresponding cutouts of 115mm or 140mm. Operating on standard AC 220–240V, it offers power configurations of 30W or 40W, producing a fixture output of 3300lm to 4400lm at an efficacy of 110lm/W. The light projects at a focused 50° beam angle and provides versatile color temperature choices ranging from warm 2700K to cool daylight 6500K. Designed for indoor installation with an IP20 protection rating, it supports Triac, 0–10V, or Dali dimming controls and boasts a rated lifespan of 20,000 hours.
