

Product Description

The LUNA recessed LED downlight delivers exceptional performance with a luminous efficacy of 115Lm/W and a total output of 2300Lm. Encased in a durable die cast aluminium body available in white, black, or silver finishes, it features an IP54 ingress protection rating suitable for demanding environments. Offering flexible wattages from 8W to 20W, customizable beam angles, and multiple color temperatures, this reliable fixture integrates seamlessly into modern architectural spaces while supporting Triac, 0-10V, and DALI dimming options.

Light
