

### Product Description

The REMY spotlight is a high-performance recessed luminaire designed with a premium aluminum body, available in white, black, or custom finishes to suit any architectural aesthetic. We engineered this fixture to deliver exceptional light quality with a CRI >90, ensuring vibrant and accurate color rendering across three selectable color temperatures. To provide maximum versatility for various lighting designs, the spotlight offers dual wattage options of 9.5W and 12W paired with precise beam angles of 24° or 36°.
