

Product Description

The Taara Recessed Spotlight is a professional-grade lighting solution featuring a robust die-cast aluminum body and a clean white finish. It utilizes a high-performance CREE LED to deliver 2000 Lm of brightness at 20W, ensuring both power and energy efficiency. With a CRI >90 and a 36° beam angle, we offer precise, high-quality illumination that accurately represents colors in any space. This luminaire is highly versatile, providing multiple color temperature options and compatibility with Triac, 0-10V, and DALI dimming systems. Additionally, the IP65 rating ensures the fixture is well-protected against dust and water, making it a reliable choice for long-term use.
