

## Product Description

The Theo is a versatile recessed spotlight featuring a high-performance CREE LED source and a durable aluminium body. We offer an adjustable wattage range from 10W to 15W, providing a fixture lumen output of 720Lm with an efficacy of 80Lm/W. Designed for precision, the luminaire features a 36° beam angle and is available in 3000K or 4000K color temperatures to suit various interior moods. To ensure a seamless aesthetic integration, we provide multiple finish options in white or black with interchangeable reflectors in white, black, or brass.
