

Product Description

The Vigo Spotlight is a high-performance recessed luminaire that combines a durable aluminium body with a sleek finish in either black or white. It delivers exceptional visual clarity through a CRI of >90 and a bright 810-lumen output, ensuring that colors in any architectural space remain vibrant and true to life. The fixture provides immense flexibility for designers, offering four distinct beam angles and a wide range of color temperatures from warm 2700K to cool 4000K. Its advanced electrical engineering supports multiple dimming protocols, including Triac, 0-10V, and Dali, allowing for seamless integration into modern smart-lighting systems.
