

Product Description :

The Decoy is an expandable multi-tier LED chandelier engineered in a striking triple-ring configuration (600mm, 800mm, and 1000mm diameters). Built with premium metallic framing, this modern ceiling fixture features integrated LED arrays operating on a standard 220–240V power supply. Its layered concentric geometry provides high-efficiency, wide-angle illumination with a sleek, modern visual impact.

Lamp

Light Source	: LED
Rated Life	: 30,000 HRs

Body

Finish	: Gold
Material	: Metal
Diameter	: 600mm 800mm 1000mm

Electric

Voltage	: AC 220 - 240V/50-60Hz
