

CUT-OUT: \varnothing 35mm

Product Description

This high-performance LED recessed spotlight features a compact 6W COB light source housed in a durable aluminum body available in black or white. Designed for precision lighting, it offers a high Color Rendering Index (CRI) of 90 and various beam angles ranging from 20° to 54° to suit different architectural needs. The fixture is engineered for versatility, providing multiple color temperature options from warm 2700K to cool 4000K, along with dimming capabilities like Triac, 0-10V, and Dali. With a slim profile requiring only a 35mm cutout and a 75mm height, it fits easily into shallow ceiling voids while maintaining a long-rated life of 50,000 hours.

Lamp

Light Source	: LED
CRI	: 90
Rated Life	: 50,000 HRs
Wattage	: 6W
Beam Angle	: 20° 26° 29° 54°
CCT	: 2700K 3000K 3500K 4000K

Electric

Input Voltage	: 220 - 240V/50-60Hz
Luminous Flux	: 288lm
Luminaire Efficacy	: 48lm/W

More Informations

Protection	: IP20
Dimmable Option	: Triac / 0-10V / Dali

Body

Color	: White / Black
Material	: Aluminium
Diameter (\varnothing)	: 40 mm
Cutout	: 75 mm
Height	: 35 mm
