

Product Description

This is a striking modern chandelier featuring a dynamic, wavy design. It consists of a slender, horizontal bar, likely in a dark metallic finish, from which a continuous strip of integrated LED light follows an undulating, almost ribbon-like path. The illuminated element appears to be a frosted or diffused light source, casting a soft, even glow along its winding form. The fixture is suspended by two minimalist cables from a rectangular ceiling canopy, maintaining its clean and contemporary aesthetic. This piece serves as both a functional light source and a sculptural art installation, ideal for adding a touch of sophisticated flair to dining rooms, living areas, or commercial spaces.

Lamp

Light Source	: LED
Wattage	: 60W
Kelvin	: 3000K

Body

Finish	: Black Gold
Material	: Iron
Length	: 1200mm

Other

Protection	: IP20
------------	--------

Electric

Lumen	: 2880lm
Voltage	: 220-240V,50/60Hz
Output Current	: Constant Current
Output Voltage	: SELV
