

Product Description

The specific design of the channel (dimensions, internal features, curve radius) would dictate its precise application. Aluminium is chosen for its workability, durability, and resistance to corrosion, making it suitable for a wide range of uses, both functional and aesthetic. The curved form adds a design element that can follow architectural lines or create unique concepts.

Lamp

Mounting Style	: Surface Mounted
Diffuser	: PMMA Opal
Bendable	: NO
Cuttable	: YES

Other

Protection	: IP20
Accessories	: End Cap With Hole
	: End Cap With out Hole
	: Metal Mounting Clips

Body

Color	: Silver
Material	: Aluminium
Length	: Customisable
Width	: 50 mm (Customisable)
Height	Customisable
