

Product Description

The Lusita spotlight is a high-performance recessed lighting solution featuring a durable die-cast aluminium body with a sleek white finish. It utilizes a premium CREE LED light source with a high CRI of over 90, ensuring vibrant and accurate color rendering for any interior space. Available in 5W, 10W, and 15W options, this versatile fixture offers a focused 36° beam angle and adjustable color temperatures ranging from 2700K to 6500K. The spotlight is engineered for efficiency and longevity, boasting a luminaire efficacy of 115 Lm/W and an impressive rated life of 50,000 hours.
