

RIBBON RGB 14.4W

Lightronic®

Led Strip Light

IP65  

Product Description

This RGB LED light strip operates at DC 24V with a power consumption of 14.4W per meter, making it a robust option for colorful architectural lighting. The strip features a density of 60 LEDs per meter, with a physical width of 12 mm and a total length of 5000 mm. It offers significant brightness across the spectrum, delivering 117 lumens for red, 297 lumens for green, and 63 lumens for blue. Designed for durability and versatility, the product carries an IP65 protection rating and supports various dimming protocols such as Triac, 0/1-10V, and Dali. Users can easily customize the installation thanks to a convenient 100 mm cut point and a rated life expectancy of 20,000 hours.

Lamp

Power : 14.4W/M

CRI : 80

Rated Life : 20,000 HRs

CCT : RGB

Led Qty : 60LEDs/M

Electric

Voltage : DC24V

Lumen

Red : 117lm

Green : 297lm

Blue : 63lm

Dimensions

Width : 12 mm

Length : 5000 mm

Distance between 2 LED : 16.7 mm

Cut Point : 100 mm

Other

Protection : IP65
