

Product Description

The Amor Spotlight, is a high-performance recessed LED luminaire designed for precise interior illumination. It features an exceptional color rendering capability with a CRI greater than 90 and a durable, long-lasting rated life of 50,000 hours. The fixture is highly versatile, offering selectable wattages of 9.5W or 12W, beam angles of 24° or 36°, and color temperatures ranging from 2700K to 4000K to suit diverse aesthetic needs. Structurally, it is constructed from premium aluminium with an 82mm diameter—requiring a 73mm ceiling cutout—and is available in white, black, or custom finishes. Additionally, the unit operates on AC 220-240V to deliver 700 lumens at an efficacy of 72Lm/W, carries an IP20 indoor protection rating, and seamlessly integrates into modern control systems with Triac, 0-10V, or Dali dimming capabilities.

Light

Light Source	: LED
CRI	: >90
