

Product Description

This is a high-quality, recessed LED fixture designed for precise and durable architectural lighting. This energy-efficient 3W light offers a fixture lumen output of 132Lm and is available in multiple color temperatures including 2700K, 3000K, and 4000K. Built with a robust aluminium body featuring a dark grey finish, the compact luminaire comes in diameters of either 30mm or 33mm to suit various structural requirements. It operates on a flexible AC220-240V , DC 12V or DC 24V voltage system, provides a long-lasting rated life of 30,000 hours, and features an IP20 ingress protection rating. With versatile beam angle options ranging from 6° to 23° alongside the clear dimensional installation diagrams provided, it delivers tailored, sophisticated illumination for modern spaces.

Light

Light Source	: LED
CRI	: >80
Wattage	: 3W
Beam Angle	: 6° 11° 17° 23°
Color Temperature	: 2700K 3000K 4000K
Rated Life	: 30,000 Hrs.

Body

Finish	: Dark Grey
Material	: Aluminium
Diameter (mm)	: 30mm 33mm
AC version Height	: 55mm 90mm
DC version Height	: 70mm 100mm

Electric

Voltage	: AC220-240V DC 12V DC24V
Fixture Lumen	: 132Lm
Luminaire Efficacy	: 44Lm/W

More informations

Ingress Protection	: IP67
Installation Type	: Recessed
