

Product Description

The VEIL is a compact, high-precision adjustable spotlight designed for targeted architectural and display illumination. Crafted from premium refined aluminium, this 3W luminaire integrates high-performance OSRAM LEDs to deliver crisp illumination output ranging from 220 to 270 lumens. Featuring an adjustable zoom optical system, VEIL allows seamless beam angle tuning from a sharp 15° spot to a broader 60° flood, making it an ideal choice for highlighting artwork, retail displays, or accent details.

Key Technical Features

Light

|                   |                         |
|-------------------|-------------------------|
| Light Source      | : OSRAM                 |
| CRI               | : >80   >90             |
| Wattage           | : 1 x 3W                |
| Beam Angle        | : 15°   60°             |
| Color Temperature | : 3000K   4000K   6000K |

Body

|          |                     |
|----------|---------------------|
| Finish   | : Black   White     |
| Material | : Refined Aluminium |
| Diameter | : 45mm              |
| Height   | : 48mm              |

Electric

|                    |               |
|--------------------|---------------|
| Voltage            | : AC 100-240V |
| Fixture Lumen      | : 220-270Lm   |
| Luminaire Efficacy | : 90Lm/W      |
