

Product Description

Ultra-compact, IP20-rated 2W showcase spotlight featuring a variable 10° – 60° optical beam and premium OSRAM chip. Constructed from refined aluminum with tailored height options up to 300mm, this versatile luminaire produces up to 260 lumens with high CRI options (>80 >90) across versatile color temperatures (3000K to 8000K). Designed for direct screw installation through a 12mm drill hole, available in black and silver finishes.

Light

Light Source	: OSRAM
CRI	: >80 >90
Wattage	: 1 X 2W
Beam Angle	: 10° - 60° (Zoomable)
Color Temperature	: 3000K 4000K 6000K 8000K

Body

Finish	: Black Silver
Material	: Refined Aluminium
Diameter	: 22.5mm
Width	: 31mm
Height	: 300mm (max)

Electric

Voltage	: AC220 - 240V
Fixture Lumen	: 200-260Lm
Luminaire Efficacy	: 120Lm/W

More informations

Ingress Protection	: IP20
Installation	: Drill Screw (12mm)
