

Product Description

Dolta Square is constructed from durable aluminium and PC, featuring a compact square body that measures 256mm by 256mm with a 64mm height. It operates on a wide 120-277V range and offers selectable wattages of 40W, 60W, and 70W, delivering impressive luminous outputs that scale up to 9450 lumens at maximum power. The lamp provides excellent broad illumination with a 160° beam angle, a Color Rendering Index of 80, and crisp color temperature options of 4000K or 5000K. Built for demanding environments, it boasts an IP65 rating for dust and water resistance, an IK08 impact rating, and reliable operation in extreme ambient temperatures ranging from -40°C to 50°C. Finally, the fixture supports adaptable lighting needs through its 0/1-10V dimming capabilities and an integrated MWS sensor featuring a standard one-minute hold time. 30% light always on and full light when presence detects with the sensor.

Lamp		Electric	
Wattage	: 40W 60W 70W	Voltage	: 120-277V
CCT	: 4000K 5000K	Luminaire Efficacy	: 135 lm/W
Beam Angle	: 160°	Lumen at 40W	: 5400 lm
CRI	: 80	Lumen at 60W	: 8100 lm
		Lumen at 70W	: 9450 lm
